

VISION for the FUTURE

CAMTECH

CRYOGENIC and COMMERCIAL

We are a critical component manufacturer specializing in complex 3,4 and 5 axis machining of critical components.

ISO 9001:2015 AS9100D - www.camtechcorp.com

FACILITY

Facilities over 37,000 sqft.
5,000 Administration
8,000 Quality and Engineering
24,000 Manufacturing and Assembly

QUALITY PROGRAMS

FDA Registered
ISO 9001:2015 and AS9100D Registered
California Lic. Device Mfg. Registered

ASSEMBLY

Next Level Assembly
Shipset Kitting
Class III Ultrasonic
Electro-Mechanical Assembly

QUALITY and TEST SYSTEMS

Zeiss CMM (6) - Lab Level Inspection
and Test Equipment

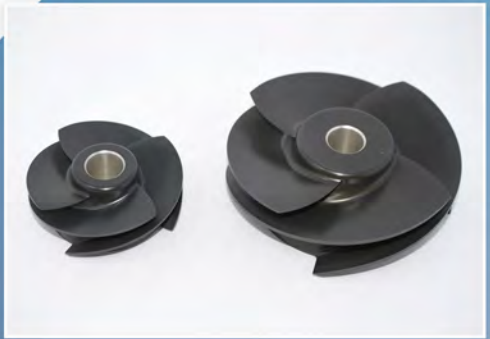

High Precision Micro-Machining
25,000 RPM High Speed Machining
3D Surface 3, 4 and 5 Axis Machining
52 CNC Machines
Shrink Fit Tool Holding
Shipset Production

Titanium
Inconel
Cobalt
Ultem
Radal

300 and 400 Series
of Stainless Steel
